Chapter 1 by Feyre Archeron

Home is very important to me and you. It's a place all of us can go when we need to be safe. I love my home, and I'm sure that every single person who reads this loves there home too. The lord made is a beautiful home. If you love this home, you will help keep it clean too. Homes are amazing, there everyone needs in life. I love my home. As I said before everyone has a home. It doesn't have to be a perfect home, but it does have to be perfect for you!

My home isn't much but it means everything. A home isn't just a place you sleep, eat, live in. It can also mean your friends, my friends complete my home. When I'm not with some of my best friends, like Kayden, Shaelynn, there is a big price of what I call home, missing. My best friends and family are the people I tell my darkest secrets.

Home can also mean a town or city. Just like the two phrases "Home Sweet Home" and "My Home Town" the word home has two different meanings.
